Small Business Opportunity for

VETERAN ENTREPRENEURS

Starting or Growing a Veteran-Owned Business?

Did you know unique opportunities exist for Veterans to build and grow a business in New York State? In 2018 over \$56 million was disbursed to NYS certified SDVOB businesses.

The Olympic Regional Development Authority (ORDA) needs to utilize businesses certified by New York State.

Join us and learn more about these opportunities as Ken Williams, Vietnam era veteran and Executive Director, NYS OGS Division of Service-Disabled Veterans' Business Development, explains how certification can give firms an edge to participate in New York State's contracting opportunities including those with ORDA.
