FLAMING LEAVES FESTIVAL
presented by  Citizens Bank

Flaming Leaves Festival is quickly approaching! October 7th and 8th, the theme is Blues, Brews and BBQ. There is live blues music, seasonal vendors, pony rides, ski jumping competition and interactive experiences. We are also looking for

volunteers for marking during the competition. All volunteers that are interested please contact Lee-Ann at lfireire@orda.org or leave a message on our volunteer hotline. The schedule for jumping is 12 noon for the trial round, with the two competition rounds culminating around 3pm. You can't get any closer to the action than being a volunteer at the ski jumps! You are less than 15 feet away from where they land. Markers are trained right on the hill on competition day. No experience necessary. So don't be shy. Try your eye at marking!!!

The Women's 2007 Frozen Four Hockey Tournament will be held here at the Olympic Center in March! We are very excited about having the top women hockey players in college to be playing here in the 1980 Rink Herb Brooks Arena. ORDA and St. Lawrence University are co-hosting this event and are looking forward

to inviting the top women's hockey teams of the Eastern U.S. teams that have been included in the past are Harvard, Boston College, University of New Hampshire, St. Lawrence University, Clarkson University, University of Minnesota, University of Wisconsin, and many more prestigious universities. We are going to be looking for volunteers to help out in a limited number, so if you're interested contact our volunteer hotline or email!

Winter Approaches....

After the leaves turn to their autumn colors and start falling, we are going right into our Winter Sports Events season.

Our first athletes to arrive in November are the Bobsled and Skeleton, they have what is called international training week from November 15th to the 22nd. Then a break for the Thanksgiving holiday and then right back to an America's Cup Competition from the 24th of November to December 3rd. These athletes take a

small break before starting all over again at the Olympic Sports Complex. The World Cup Bobsled and

Skeleton competition then starts with training on December 11th and with competitions starting on the 14th. As always we are looking for volunteers as stewards and other miscellaneous areas. So please contact us as soon as you know your schedules and we will sign you up!

Think Green!

I just wanted to thank those who were able to send me their updated contact information. If you would like to receive this newsletter electronically rather than snail mail please email me at volunteers@orda.org with your updated email address. Otherwise please continue to send me your information anyway that is convenient for you! ~Thanks
